VETERAN SUCCESSFUL WITH STOCK AND FARM

Marvin Ethridge returned from overseas duty to a changed agriculture with the desire to produce quality beef for the market. He knew that he first had to have a quality calf. He immediately bought young grade Angus heifers and a registered Brahman bull. He found his calves to be fair from this cross but not the quality he desired, so he purchased a registered Angus bull and now has the quality he desires. Marvin also saw the need for year round grazing in his livestock program. His pasture was bare, badly eroded except for a little needle grass and brush. He cleared the land with a bulldozer and immediately started to replace the fertility. The veteran applied phosphate at the rate of 200 pounds per acre on his pasture. Then he seeded the pasture to oats, hairy vetch and madrid clover. He then applied lime at the rate of 1000 pounds per acre. After seeding, he immediately rolled the land to insure a good stand. Each year he repeats the pasture development program. By using these practices, Marvin says he has been able to increase his carrying capacity by 15 head on his 190 acre pasture. He normally carries 35 mother cows.

He also saw the need for creep feeding of his calves. He built 2 creep feeders close to his tanks. He creeps his calves on a mixture of crushed corn, cotton seed meal and alfalfa hay or silage. He started the livestock improvement, the pasture improvement and creep feeding in 1946. This effort payed off well in the fall of 1947 when he received the highest price for calves on the Fort Worth open market of 35c per pound for this year. He carries out a regular (turn to page ten)

Texas A. & M. Club Will Meet Here Friday

Gene Blake, President of the Milam County A. & M. Club, has announced that this organization will meet in the dining room of the Milam Coffee Shop Friday, April 21 at 7:30 p. m. for the annual Aggie Muster.

This meeting will be in commemoration with the traditional Aggie Muster held April 21 of each year. The tradition started forty-six years ago on the campus of the A & M College of Texas and every year since that date, April 12, 1903, A & M men have banded together to honor the gallant Texans who struggled against oppression to win their independence in the battle of San Jacinto.

Mr. Blake advised that the program for Friday will be in accordance with the April 21 muster throughout the world, carrying out the simple, standard rituals that are the same everywhere. A & M men will answer the Roll Call for the Absent in taking part in ceremony of common cause.

All former students in Milam County are invited and urged to make plans to attend this meeting. Supper will be served after the business session.

YOE HIGH STUDENTS WON TROPHY IN LEAGUE MEET

Again in 1950 as they have for five years, Yoe High Students won the trophy in the Interscholastic League District Meet. Early Friday morning, April 14, some 93 students boarded buses bound for Georgetown to face the keenest competition they have had since the League work began. This year eight schools participated in the events: Taylor, Georgetown, Cameron, Belton, Rosebud, Killeen, University Junior High School, Austin, and Baker Junior High School, Austin.

Cameron won the literary trophy in an easy margin with a total score of 94 points, having won several first as well as second and third places. Extemporaneous speaking gave the score a boost of 25 points won by Edith Lee Baldridge, who took first place and James Kahler who took second place. Extemporaneous speaking was coached by Mrs. C. L. Canady who also directed senior declamation in which Mary Frances Hensley, a freshman, won second place for 7 points.

Next in high score points, 22, was slide rule, Yoe High Students having taken all three first places. This is the third year Yoe High has won all three first places in slide rule. First place with a score of 490 went to Eugene Polzer; second place with (turn to page ten)

Will Conduct Services At Methodist Church

DR. LUKE BEAUCHAMP

Dr. Luke Beauchamp from the General Board of the Methodist Church will be in Cameron over the week end. He will preach at the local Methodist Church Sunday morning.

On Sunday afternoon at 2:30 Dr. Beauchamp will conduct a district institute for church school workers of the Bryan District.

INVITATIONS GO OUT FOR MILK BOWL GAME

Invitation has gone to Roy Rogers and other Western film stars to make public appearance at the annual milk bowl game, the national classic for "small fry" elevens to be played at Cameron, on same holiday following the regular football season.

This move is a part of a plan to concentrate on one day, or one week end, as many forms of recreation and entertainment as are possible. Play by play radio broadcast, half time activities and wide range of entertainment features are a part of a plan to glamorize the day's football the preliminary Milam County championship game and the mythical "national championship" bowl game. Citizens of Milam County who have suggestions for a really significant kids day should communicate with Secretary, The Milk Bowl, Inc., Gause.

Rites Held For Mrs. A. A. Offield

ROCKDALE, April 18 — Funeral services for Mrs. A. A. Offield, 67, were held Monday with Rev. C. Edward Fraim, pastor of First Christian church of Elgin, officiating. Assisting was Rev. R. A. Brigham, local Christian pastor. Burial was in Oak Lawn cemetery.

She died Sunday in a hospital at Austin. Mrs. Offield and her husband celebrated their 50 wedding anniversary last fall. She was a long time and active member of the Order of Eastern Star.

Besides her husband, there survives one daughter, Mrs. Joe J. Adamcik of Austin, a foster daughter, Mrs. Homer Beezley of California, two grandchildren, Joe Alfred Adamcik and Jeannette Adamcik of Austin, and a sister, Mrs. Viola Offield of San Gabriel.

Body of Corporal Flack Recovered From Lake

The body of Corporal John W. Flack of Headquarters and Service Company, 42nd Armored Infantry Battalion, was recovered from Buchanan Lake late Saturday. Recovery ended a two-weeks search by personnel of Camp Hood.

The Camp Hood soldier was drowned on April 1 when the boat in which he was riding was caught on the lake in rough water and high winds. Corporal Arthur Whitley and Private George Fair, who also were occupants of the boat when it sank, were rescued by other fishermen on the lake.

A continuous search of Lake Buchanan, both by boats and aircraft, has been maintained since the accident. Bridge Company of the 17th Armored Engineer Battalion and the 2nd Armored Division's Light Aviation Section participated in the search.

The body has been sent to the Mundwiler Funeral Chapel, Milbank, South Dakota, at the request of the next of kin. Arrangements for funeral services are incomplete.

Corporal Flack is survived by his wife, Mrs. Ursula Flack of 7th Avenue West, Milbank, S. D.

Friends of Mrs. Henry Brown will regret to learn she is ill and in St. Edward Hospital for treatment.

CREDIT COURSE OPENS HERE MONDAY NIGHT

The first session of the Retail Credit Procedures course opens here Monday under the instructorship of Sterling S. Speake of The University of Texas Division of Extension co-operating with the State Board for Vocational Education. A large number of business people is expected to enroll in this ten-hour course which is considered to be very helpful in the methods of handling charge accounts, according to J. C. Andres, Chairman of the Trade Development Committee of the Cameron Chamber of Commerce, who is sponsoring the school.

Local merchants doing business on a credit basis, together with their employees, are invited to attend the first meeting Monday night without obligation. After the close of this first session, those who wish to enroll may do so. Or you may enroll now by contacting the Chamber of Commerce office. All phases of retail credit operations will be covered during the course, which will be held nightly from 7:30 p. m. to 9:30 p. m. at the Milam Coffee Shop.

Speake is a graduate of The University of Texas School of Business Administration and has had several years actual experience in the retail credit field. He was connected with credit and collection work for more than four years just prior to his military service. Since the war he has been on the staff of The University of Texas Division of Extension conducting credit schools throughout Texas.

CITY COUNCIL HERE BEGINS NEW YEAR

Three new faces are in the Municipal picture today as the result of qualification at the first official meeting of the City Council for the new year held Tuesday night.

A. N. Green took oath as Mayor and Joe Richter became City Marshal, naming Dick Harris one of his deputies. Marshall Terry who has been working for the city as deputy was retained.

Ralph Michalka was re-appointed Fire Chief and John Eanes was named Fire Marshal.

Frank Richter, Sr., veteran driver of equipment at the central station was re-appointed. The Council retained the service of Bill Richter as assistant at the station sometime ago and he will continue in that capacity.

Mayor Green, who ran for the office on a platform against the sewer tax and who led a fizzle attempt to defeat the proposed purchase of the water plant and who was expected to make recommendations and requests of the Council, it was said, made no statement. The new Mayor may have something to request of the Council at a later date.

Frank Haley Announces For Representative Of The 64th District

Frank M. Haley of Rockdale is a Candidate for the nomination for Representative of the 64th District (Milam County) subject to the Democratic Primary to be held on Saturday, July 22.

In making announcement of his Candidacy, Mr. Haley issued the following statement:

"I wish to take this opportunity to announce my candidacy for Representative of the 64th District of Texas (Milam County). I have been a resident of Milam County for a number of years, being engaged in the Produce business, Dry Goods business and the Automobile business in Rockdale.

Having been a candidate in 1948 for Representative of the 65th District, I feel that I am now better acquainted with most of the Citizens of Milam County than I was at that time.

This Session of the Legislature will be an important one for many reasons—this time the Legislature cannot evade the issue of re-districting the State because it is now required by an Amendment to our Constitution. If it does, a Board will be set up to re-district the State as it chooses—what chance would we have in a Board where we have no voice? Therefore, I am sure that you can see the vital importance of retaining our present District—retaining your District is retaining your Voice in (turn to page four)

BIG MAJORITY FOR BONDS

POLL TAX PAYMENTS DECREASE

CHAMBER SETS UP PROGRAM

VOTERS HERE APPROVE WATER WORKS ISSUE

In the first major progress in almost a quarter century property owners in Cameron went to the polls on Tuesday and voted overwhelming approval of an issue of \$425,000.00 in Revenue bearing bonds for the purchase of the water plant and distribution system.

The vote victory was substantially 3 to 1; for the bonds 636 and against the bonds 216.

Opposition to the proposed issue of the bonds failed to muster anything like the strength that their efforts indicated might be forthcoming. On the other hand a vast majority of the tax payers who cast votes had cast aside all unfair tactics to access the real opportunity involved and struck a blow for the progress of their city.

Congratulations were in order for retiring Mayor Roy Griffith and members of the board of Aldermen; L. Van Perkins, Johnnie C. Andres, August G. Kunz, Bob Terry and Milton Schiller, the members and leaders of the Junior Chamber of Commerce, the Cameron Chamber of Commerce, The Rotary Club, the Lions Club, the Business & Professional Women's club and all others who saw this great opportunity to take the city forward.

Ably handling the election were: election judge Leo J. O'Neill and clerks B. J. Matocha, J. L. Marek, Dan Gunn and Miss Mary Burns.

Meanwhile water consumers throughout the city may rest assured their water bills will not be increased and by the vote of the vast majority of those who took part in the election the future of Cameron's water system is bright.

For the first time in the history of this one hundred year old city the people now own the most vital of all utilities—the water supply.

Included in the plans and for which bonds were voted is a filtration plant that will give Cameron a State approved water supply, something it has never had.

The water plant will be purchased from the Community Public Service Company.

Knights of Pythias To Hold Important Meeting Monday Night

Many members of the Order, Knights of Pythias, will be present at a District meeting to be held in the Odd Fellows Hall in Cameron at eight o'clock Monday evening, April 24. Delegates from Waco, Temple, McGregor, Austin and Bryan will attend. The rank of Page will be conferred by Degree Teams from Temple and Bryan upon candidates from Austin, Temple and Bryan.

Officials of the Grand Lodge will be present, including James Palasota of Temple, the Grand Vice Chancellor.

A social hour is to follow the ceremonies and light refreshments will be served. This is the first District meeting of Knights of Pythias that has ever been held in Cameron, and every Knight of Pythias is urgently requested to be present.

FUNERAL SERVICES FOR GEORGE LAKE TUESDAY

George E. Lake, died early Monday morning, April 17 in St. Edward Hospital.

Mr. Lake was born December 19, 1886 and had lived in the Yarellton community all his life.

Survivors include one brother, Will Lake of Cameron; three sisters, Mrs. F. B. Farmer of Cedar Spring, Mrs. Claud Tubbs of San Angelo and Mrs. Reuben Tubbs of Cameron.

Funeral services will be conducted by Rev. P. L. Caperton at the Marek-Burns funeral home, at 2:00 p. m. Tuesday, April 18 with burial in Elm cemetery at Marak.

MILAM COUNTY VOTE MAY BE REDUCED

The number of poll tax holders in Central Texas senatorial and congressional districts declined considerably this year in comparison to the election year of 1948, even more than the 10 percent state wide drop recorded, as revealed in figures from State Comptroller Robert S. Calvert.

In the five-county state senatorial district—the 21st—represented by Sen. W. A. (Son) Shofner of Temple, 24,530 persons paid their \$1.75 for the right to vote in 1950, compared to 28,421 two years ago. That was a drop of 13.7 percent.

The 11th congressional district represented by Cong. W. R. Poage of Waco, lost potential qualified voters at about the same rate. In the six counties, 52,194 persons paid their poll taxes, 12.8 percent less than the 59,845 for the district in 1948.

Comparative county-by-county poll tax figures for counties in the Central Texas area are as follows, the year being the year in which the poll tax is used:

County	1948	1950
Bell	12,665	10,302
Coryell	3,649	3,357
Falls	5,246	4,863
Lampasas	2,676	2,472
McLennan	28,454	25,500
Milam	6,014	4,872
Williamson	9,820	7,721

New Governor of Rotary District 187

JACK DILLARD

The young man who has been keeping check on some 40,000 odd former students of Baylor University has added another large segment of folks under his wing.

Jack Dillard, executive secretary of the Baylor Ex-Students Association, was elected governor of Rotary District 187 last week end at a conference of Rotary leaders in Temple. Thus he becomes the official head of some 1400 Rotarians in the 24 clubs of this district.

Dillard, 33 years of age, is immediate past president of the Waco Rotary Club and at 22 years of age was president of the Mexia Rotary Club. He is one of the youngest men ever to be held to a district governorship of Texas.

A former editor of The Mexia Daily News, Dillard was a special agent of FBI from 1940 to 1946. He has been in his present post at Baylor since his resignation from the FBI in April, 1946.

Dillard is a 1938 graduate of Baylor University. His wife is the former Miss Dorothy Lee Kelly of Newgulf, Baylor graduate of 1942. They have a son, Jack Kelly, 2.

Pvt. Nelson Batte At Camp Stoneman

Pvt. Donald Nelson Batte, 17, formerly of Cameron, recently completed 14 weeks basic infantry training at Fort Ord, California and has been assigned to Camp Stoneman, California to await April shipment to the Far Eastern Command.

Pvt. Batte attended Yoe High School in Cameron and is the son of Mrs. Belle Batte of Cameron.

PRESIDENT MCINTOSH OUTLINES ACTIVITY

President W. L. McIntosh of the Chamber of Commerce announces the following dates for a program of work clinic Tuesday, May 2 and Wednesday, May 3 at 10:00 a. m. "The purpose of this clinic", he says, "is to give opportunity to citizens of Cameron to discuss and make suggestions for the program of work the Chamber of Commerce will undertake for the development of the entire community."

Mr. McIntosh in announcing the clinic says, "Our organization needs and must have a definite program of work if we are to realize the best results from the efforts of our members and committees this year and the coming years. This program should be of long range nature, and it should be so flexible that projects of immediate need should be taken care of. It should be a balanced community program with appeal to every enterprising citizen of the community". Further commenting President McIntosh added: "This clinic plan for making the Chamber's work program is thoroughly democratic and calls on all citizens to give the best thought they have at the time of group conferences for the betterment and good of our town and trade territory." He invites and urges both members of the Chamber and all interested citizens of Cameron to attend some group meeting on the above dates and come prepared with constructive suggestions.

Charles D. Berry Jr., Organization Manager of the East Texas Chamber of Commerce, will be here to help President McIntosh and his board of directors conduct the program of work clinic.

Best of all, when the clinic is over, and the Chamber announces its program of work, as taken from the many suggestions from members and citizens, it will be our own program and we here will get the benefit from its activation.

Citizens of Cameron are called on now for suggestions—later they will be called on to help execute a constructive program of work. Let's attend the clinic in numbers and give our enterprising president our full and hearty support now, and thorough-out his term of office.

WACO MAN ESCAPES INJURIES IN WRECK

Jesse T. Matthews, Waco man barely escaped death around 6:15 Sunday afternoon when the 1946 Chevrolet sedan he was driving skidded on the wet pavement and crashed into the cement culvert at Ben Arnold.

Mr. Matthews was driving south on highway 77 pulling a stock trailer during a heavy rain Sunday when the automobile skidded to the left hand side of the road and struck the culvert and completely destroyed the car.

He survived the crash with only a slight injury.

Piano Recital At O. J. Thomas School

C. L. Sadberry, principle of the O. J. Thomas Colored School in Cameron said the O. J. Thomas Music Department is featuring Miss Geneva Crawford and a piano recital at the school on Friday night, April 21.

The citizens of Cameron are invited to attend the recital and reserved seats for their white friends will be available.

Sadberry said there will be no admission charge and the time will be 8:00 o'clock.

Mr. and Mrs. Guy S. Garth and sons of Jackson, Miss. were recent guests of Mr. and Mrs. J. C. Martin. Mrs. Garth remained for a longer visit.

GENERAL RAIN EASES DROUTH IN CENTX AREAS

Total rainfall for Cameron since early Thursday amounted to .89 inches and the lowest temperature Friday morning was 48 degrees.

Central Texas farm lands received their second rainfall since February when the drouth-easing rain fell steadily from about 1 a. m. Thursday until about 9 a. m. and fell again later in the day.

Rains were general all over central Texas. And the forecast for more showers today.

Thursday's widespread rainfall will probably be very beneficial to oats and other crops.

Nearly two inches of rain was recorded at Hillsboro, Corsicana, and Valley Mills. Marlin reported about an inch; Temple, 1.02; Gatesville, 1.41; and McGregor, 1.25.

The forecast is for continued cloudy and cold with showers today and tonight; Sunday partly cloudy. Maximum temperature forecast is 65. A low of tonight of 42 is predicted.

The crop-saving rain fell in patches all over the state. Hardly a county failed to get at least a sprinkle. In the northern Panhandle, light rain turned into snow.

The rain was heaviest in Central and West Central Texas. In most places there was scarcely enough to raise hope.

The heaviest rains—up to two inches and better—fell in a swath from Dallas and Fort Worth west to Big Spring. This included the areas of Denton, Cleburne, Abilene, Cisco, odessa and Lubbock.

Income Tax Evasion Cases On Increase

Rising taxes of recent years have brought a corresponding increase in income tax evasion attempts, the man in charge of prosecuting offenders said.

He's Lamar Caudle, assistant U. S. attorney general in charge of the Department of Justice's tax division.

"Last year we had 800 criminal tax cases," Caudle said. "In 1942 we

prosecuted only 72 cases."

However, the 800 figure for last year isn't so big when it's considered that 60,000,000 returns were filed, Caudle admitted.

He reminded that the small-income earner will get a more thorough check this year than ever before, saying that the great bulk of taxes now are paid by persons with annual incomes of less than \$10,000.

Homemaking Class At O. J. Thomas School Thanks Dept. Store

The New Homemaking and sponsor of the O. J. Thomas High School wish to thank the Leader's Dept. Store for sharing space in the display case for the girls garments on last week. We shall always remember your kindness.

The New Homemakers of the O. J. Thomas School are inviting the public to attend their annual Nha sermon at the progressive Baptist church on Sunday evening April 16 at 3:00 when they will observe National NHA week.

Meeting To Set Date For Milk Bowl Game Will Be Held Soon

Because ticket orders for the Milk Bowl game have already begun to come in, the Board of Directors of The Milk Bowl, Inc., under the direction of Joe Moore, President, will meet soon, and come to decision regarding the exact date of the game. Opinion is held that the game will occur on some holiday, Thanksgiving, Christmas, or New Years, when business houses would be closed and when radio facilities would be available for play by play broadcast.

Gene (Dixie) Walker, a Member of the Board of Directors, has made a gift to the Bowl of printed stationery necessary to Bowl business. Mr. Walker is also making plans to do the personal contact work, within sixty mile radius of Cameron, to acquaint community and civic leaders with the history, purpose, and procedures of the Bowl.

Local Group Attends Meeting In Dallas

Chas. M. Hicks, one of the 17 Food Distribution Agents of Texas attended the meeting held in Dallas Friday and Saturday.

Mr. Hicks is district agent for eleven counties.

Plans for operation for next year was discussed. Instructions on how to handle frozen turkeys were given. Mr. Hicks reported one car load of frozen turkeys have been ordered for the eleven county district.

He was accompanied on the trip by his wife and Mrs. W. B. Bigbee, local District commodity agent.

Texas City Blast Blame Pinned on U. S. Government

HOUSTON, April 13—A Federal judge pinned responsibility for the Texas City disaster on the U. S. Government—and accused the Government of "blunders, mistakes and acts of negligence."

More than 500 persons were killed in April 1947 by explosions and fires which turned the Texas harbor town into a holocaust. The disaster began with an explosion aboard the French-owned S. S. Grandcamp, carrying ammonium nitrate.

Federal District Judge T. M. Kennerly ruled in a test damage suit. He then extended his ruling to cover \$200,000,000 in damage suits filed by 8,485 parties.

The 76-year-old jurist's ruling—three days short of three years after the great disaster—means each of the suits must be tried separately before a Federal judge, on its merits. The mass trial of the \$200,000,000 in damage suits was to determine liability.

Judge Kennerly, who heard months of technical testimony last year, ruled:

"This record discloses blunders, mistakes and acts of negligence both of omission and commission on the part of the defendant, its agents, servants and employees in deciding to begin the manufacture of this inherently dangerous fertilizer. (He referred to the ammonium nitrate which was manufactured in Government-owned ordnance plants and destined for shipment overseas).

It is the largest damage action ever brought against the Government. Should the full \$200,000,000 be allowed it would cost each man, woman and child in the United States about \$1.30.

In Washington, Assistant Attorney General H. Graham Morison said the Government will immediately appeal to the Circuit Court of Appeals at New Orleans. It was indicated the case will be taken to the Supreme Court if necessary.

R. W. Wilson of Milano was a welcomed visitor here recently.

CAMP HOOD IS MADE A PERMANENT FORT

KILLEEN, Texas, April 14—Camp Hood, since 1942 a vast 160,000-acre Army training camp for armored divisions, has been designated the third permanent Army fort in Texas by the Defense Department.

The camp's public information office said Friday that hereafter it will be Fort Hood, on the same basis with Fort Sam Houston at San Antonio and Fort Bliss at El Paso.

It is named for Gen. John B. Hood, the noted commander of the Texas Brigade of the Confederacy, praised often by Gen. Robert E. Lee.

The job of turning the war-built Army base into a permanent installation already is under way. Its wooden living quarters are being replaced by tile Spanish-type 2-story buildings. The new fort will be a city within itself, with police, fire department, golf courses, football stadium, bus system, post office, beautiful theaters, and complete athletic and social facilities.

It was built originally at a cost of around \$42,000,000. The rebuilding cost may equal that. Already \$9,000,000 has been appropriated by Congress for new construction, mainly living quarters.

Hood is the Army's center for training armored divisions, hard-hitting units with tanks, artillery, truck-borne infantry, and complete segments for acting as a fast-mov-

ing Army in itself. It is the home of the 2d Armored Division, the only full strength armored division the country could throw into a war tomorrow.

Most of the tank-destroyer units for World War II, were trained in the blistering hills of Hood, which stretches from Killeen to Gatesville. At one time close to 100,000 soldiers were camped there.

After the war it dwindled to about 1,700 men, but the postwar preparedness has built it back to an estimated 20,000 persons, military and civilian.

Hood also is the site of important large-scale summer maneuvers of the Texas National Guard.

Doris Lanelle Boecker, daughter of Mr. and Mrs. Willie Boecker is among the patients ill and in Newton Memorial Hospital.

J. C. Burkhart of Thorndale was a business visitor here Wednesday.

Mr. and Mrs. John Gurecky of Marak have received word that their son, Pvt. Johnnie Gurecky has been advanced to the rank of Corporal. Cpl. Gurecky is with the Army Air Corps, stationed on Okinawa. He is expected to arrive in the States next August.

Mrs. Ruby Winchester and son, Danny and Mrs. Dorothy Jane Powell of Harlingen are visiting in the home of Mr. and Mrs. W. E. Penney and also visiting their sister, Mae-belle Williams who is ill and in Newton Memorial Hospital.

B. F. Archer, manager of the Archer Electric Service here is ill and in St. Edward Hospital for treatment.

Raymond Zajicek of Buckholts was a business visitor here one day this week.

Tom Allen Mitcham of Houston spent the Easter Holidays visiting in the home of his mother, Mrs. Tom Mitcham and other friends and relatives here.

STOP THAT ITCHING

If bothered with Eczema, Tetter, Ringworm, Athletes Foot, Prickly Heat, Poison Oak, Itch, Sores on children, Leo Laake Drug Store will sell you a jar of Black Hawk Ointment on a guarantee. Price 60c and \$1.00.

Senator Kyle Vick Finds New Supporter

Senator Kyle Vick has found a supporter for his campaign for lieutenant governor through a mix-up of his and a famous cold remedy's name.

A supporter of Senator Vick's seeking votes in Robertson County asked an old-timer if he would vote for the senator for lieutenant governor.

"Sure will, been aiming to all the time. Anyone who can make as good a cold salve as that man can should make a good lieutenant governor", the oldster answered.

11 Face Slash At McCloskey

McCloskey may lose only 11 employees instead of 56 under the Veterans Administration nationwide economy move.

Dr. L. M. Cochran, manager of the center, said that he had been instructed to give extensions of time to 45 employees in the medical services who had previously been given notice of discharge. He said he will report these positions back to the VA headquarters for consideration in preparation of a new employee ceiling for the hospital.

The 11 to be discharged are non-medical employees.

Keeping the 45 medical services employees would leave 892 employees at McCloskey.

Graduate Nurse Club Organized In Cameron

A Graduate nurse Club was organized in Cameron at a meeting in the home of Mrs. F. E. Jackson Tuesday evening, April 11. Fourteen graduate nurses from Cameron, Rockdale and Rosebud were present.

The purpose of the Club is to keep Graduate nurses not in circulation up to date on modern medicines and to refresh their experience and exchange ideas.

During a business session officers

as follows were elected: Mrs. F. E. Jackson, President; Mrs. Harold Wieser of Rosebud, Reporter; Mrs. John Michna, Vice President; Mrs. Bill Wallace, Secretary and Treasurer; Miss Louise Kohl, program chairman.

The hostess served a dainty refreshment course at the conclusion of the program.

All graduate nurses in this vicinity are invited to attend the next meeting Tuesday, April 25 at the home of Mrs. Pete Mikula.

Enumerators In 11th District Moving Fast

Enumeration in the 11th district still is progressing faster than the pace set by the census bureau, William H. Skelton, supervisor, said.

Final figures for the second week's enumeration throughout district will be totaled, Mr. Skelton said, and they will probably show the 11th district ahead of the goal set by the census bureau.

The bureau set the district goal at 40,000 enumerations for the first week and 50,000 were made, Mr. Skelton stated.

Cooperation has been commendable, he added.

"We haven't had a single case yet in which we've had to use real pressure to get a person to answer the questions," Mr. Skelton said.

Even T-night went smoothly. This activity, in which transients in hotels and tourist courts with more than 50 units for temporary residents were enumerated.

Small hotels and courts, along with apartments and public housing units, will be covered in regular enumeration.

Eugene and Tim Kennedy, sons of Mr. and Mrs. Eugene Kennedy of Bryan spent the Easter holidays visiting Mr. and Mrs. Frank Richards here.

Danna Kay Reed, granddaughter of Mrs. J. J. Martin of Cameron is ill and in Newton Memorial Hospital for treatment.

Mr. and Mrs. L. E. Tompkins and Jeanne formerly of Bastrop visited a few days with Mrs. Clara Brashers enroute to Victoria where they will make their home. Mrs. Tompkins is with the Western Union Telephone Co. and is being transferred as manager of the Victoria office.

Mr. and Mrs. Charlie Rogers of Rockdale visited Mr. Rogers mother, Mrs. Studie Rogers here Tuesday and also visited in the home of Mr. and Mrs. C. F. Angell.

Mr. and Mrs. J. C. Green, E. E. Green and Mrs. A. C. Schaudies all of Rosebud visited Mr. and Mrs. Leland Green the past week.

Evelyn Sager of Houston sponsored the christening of little Ronnie Eugene Prokisch, son of Mr. and Mrs. Archie Prokisch, at the St. James Evangelical Church at Vogelsang Easter Sunday. After the worship hour the group had lunch with Mr. and Mrs. Albert Dörner, grandparents of the baby. Other guests in the Dörner home were Mr. and Mrs. Dennis Klein and children from Burlington.

CONTRACT FOR BUILDING HIWAY TO BE LET IN MAY

County Judge, Dan Tyson has received information from the State Highway department that letting for re-building of U. S. highway 77 from Cameron to Rosebud is scheduled for letting in May.

Vote Fails To Merge Burlington-Vogelsang Churches At Meeting

The St. Johns Church at Burlington and St. James Church at Vogelsang held separate meetings on April 2 and voted to merge the two churches.

The vote was not in favor of the merge. At the meeting they elected a delegate from the congregation for a convention. Otto Schulz was elected as delegate and Fred Folschinsky as alternate.

The Sunday School superintendent at the Vogelsang church resigned and Otto Schulz was elected to the place. The children's choir of the Burlington church gave a program of songs which the congregation enjoyed very much.

Mr. and Mrs. Kelso Rogers and two children visited Mr. and Mrs. C. F. Angell a few hours Wednesday evening the occasion being Mrs. Angell's 65th birthday. Wayne Rhinehart, a neighbor of Mr. and Mrs. Angell was also present. Mrs. Rogers and Mrs. Angell served ice cream.

Friends of Mrs. J. L. Foster, Jr. will regret to learn she is ill and in St. Edward Hospital for treatment.

Mr. and Mrs. P. J. Connally of Austin visited Mr. and Mrs. Leland Green the past week.

FRANK HALEY—

(Continued from page one)

your State Government.

The Old Age Pension has become a political football in Texas. I do not believe in waste in our State Government, but I do not consider it waste in taking care of our aged people. We must, without further delay, get a sound pension plan in effect that will give our aged people what they justly deserve. If times and conditions warrant more than Fifty Dollars per month, then let's raise the amount to where it should be, and not let our old people suffer for the want of a few dollars more per month.

As for the Veterans' bonus, as I stated two years ago, I will favor the best Legislation on this issue and will support the best Bill that will do the most for our Veterans.

In education, we must continue to further our educational system, to give Texas the best educational system possible. In many sections in our school consolidations our rural roads have not had the proper improvements necessary to provide adequate roads for our school bus routes. Therefore, a well-planned rural road program must be gotten underway in the near future so that it will be possible to have rural roads that are all-weather roads, not only for school bus routes but also for our farmers who must move their farm produce to town for market. I intend to see that Milam County gets its just share.

I have touched only briefly on many problems that will face us in the next Session of the Legislature. However, between now and Election Day I will be making every effort to see as many people as possible to discuss these issues and get your personal viewpoints so that I can serve you better as your Representative. I will appreciate your vote and any effort shown in my behalf in helping me to attain this office."

Mr. Haley is 35 years old, and a member of the Methodist Church. He is married and has two children, a daughter 13 and a son 5 years old.

MINERVA CONCERT

The Friendly City Quartet of Austin will give a concert at the Minerva Methodist Church, April 28, at 8 p. m.

The public is cordially invited, and a small admission will be charged.

Rosebud Pilot Commended For Deed In Japan

ROSEBUD, April 17 — Captain Keith A. French, formerly of Rosebud, stationed in Yokohama, Japan, as operations officer with the Eighth Army light aviation section, has received a letter of appreciation from Maj. Gen. William B. Kean, 25th Infantry division commander, for "The performance of a courageous deed beyond the line of duty."

General Kean expressed his appreciation "for the initiative and technical ability which you displayed in landing a plane at Mt. Fuji under hazardous and bad flying conditions to evacuate Lt. Col. Reece R. Lewis. "This outstanding action on your part made it possible for Col. Lewis, who was critically ill, to receive hospitalization which saved his life."

Mrs. French, the former Miss Eula Mae King of Rosebud, and daughter, Nancy, joined Capt. French in Japan last July. She is the daughter of Mrs. W. H. King of Rosebud.

Texas Spends \$50 Million

The State Government spent 50 million dollars in March while taking in slightly more than 46½ million.

Total State spending since last Sept. 1, beginning of the fiscal year, reached 326 million dollars compared with \$298 million plus for the same period the previous year.

Revenue for the past seven months totaled 309 million dollars compared with 299 the year before.

Mr. and Mrs. E. A. Perrin had as a guest in their home for the week end their son, Wayne Perrin, a student at Medical College in Galveston.

MILAM COUNTY IS IN PATH OF PROGRESS

AUSTIN, April 15—Only one Central Texas highway project — the construction of five bridges in Falls county—was reported as completed during March, but work progressed on jobs throughout the area, the state highway department reported this week.

Nearly completed, according to the report, was the work on the grading structures and roadbed treatment of State 95 from one mile south of Little River to the Williamson line. T. C. Cage and Dean Skinner, contractors on the 12,476-mile job, were shown as 93 percent finished as of the end of March when 151 of the 220 allowable working days had elapsed. The contract is for \$311,579. March construction totaled \$21,548, bringing total expended to date on the job to \$259,600.

Among several counties with jobs under construction is Milam county with Farm-Market 486, Thorndale to San Gabriel, 5.9 miles, grading, structures, flexible base and preservative, J. R. Canion Construction Co. and Rex D. Kitchens Construction Co., 49 to 120 days, \$44,791 contract, \$28,132 to date, 70 per cent.

Farm-Market 486, bridges, McGinnis Bros., Inc., 173 of 175 days, \$66,477 contract, \$59,590 to date, 89 per cent.

Junior Chamber In Expression of Thanks For Bond Victory

The members of the Junior Chamber of Commerce wish to express their sincere appreciation to the people of Cameron for such an overwhelming turnout at the polls Tuesday.

The winning of the bond issues for the water company is a tribute to the progressive mind of Cameron.

The importance of this single victory is overshadowed by the deeper indication that our city has awakened to the fact that Cameron needs some changes.

With the help of every citizen we want to go forward day by day until central Texas looks to Cameron as the model city.

Junior Chamber of Commerce

Friends will regret to learn Mrs. W. B. Denson is among the patients ill and in St. Edward Hospital for treatment.

Milam County Schools Enjoy Film on State Fair

"Extravaganza on Parade," a motion picture of highlights from the 1949 State Fair of Texas, was shown by the State Fair representative to local groups on Thursday, April 13. The film was brought to this city by Jim Jarrott, State Fair public relations representative.

The local groups who viewed the film included Milano High School and Buckholts High and Elementary Schools.

Purpose of the film, Jarrott said, is to acquaint Texans, young and old, with the unique opportunities for education and wholesome entertainment always available at the State Fair of Texas.

The 30-minute film, in sound and color, presents a well-balanced picture of doings at last year's big 16-day exposition which attracted 2,047,540 visitors and which was ac-

claimed the greatest state fair in history. The movie was seen by 15,000 people in 17 Texas cities during the first four weeks it was shown.

Included are the colorful opening day ceremonies, plays from the big football games, vivid scenes from the livestock, agriculture and farm machinery shows, and many others.

Although all attendance records were broken in 1949, the forthcoming fair is expected to attract even larger throngs of visitors. The 1950 State Fair will be a gigantic Mid-Century Exposition, saluting the first half century and previewing the second.

Mr. and Mrs. E. L. Kahler had as week end guests their sons, Clayton Kahler, Medical student at Southwestern Medical College in Dallas and Earnest Kahler, Jr. from Texas University at Austin.

ELECTRIC FOOD FREEZER

An electric food freezer is a friend indeed!

It's like having a super-market right in your kitchen! No more "everyday" grocery trips... no more wearisome hours of canning... no more "leftover" problems. Just freeze and store!

You can whip up a delicious meal in minutes! You'll have garden-fresh fruits and vegetables, meats, fish, soup, pie, out-of-season treats, delicacies of all kinds at your fingertips... ready to

heat and eat. What's more, frozen foods are tastier, better for you, because flavor and vitamins are sealed in.

Your electric food freezer is a friend to the budget, too! It enables you to buy food in large quantities and at lower peak-of-the-season prices.

See the new food freezers at your electrical dealer's. There's a model to fit your needs, your pocketbook... and you can buy on easy terms!

TEXAS POWER & LIGHT COMPANY

50TH ANNIVERSARY IS CELEBRATED SATURDAY

Mr. and Mrs. C. F. Angell, East Hillcrest, celebrated their 50th Golden Wedding anniversary Saturday, April 15 with open house from 6 p. m. to 9 p. m. Their five children were with them for the occasion, including Mrs. Eula Schlemmer, Mrs. George Rankin and Monte Angell of Cameron, B. F. Angell of Brazoria and Mr. and Mrs. L. C. Angell of Houston.

The home was decorated with arrangements of Gladioli, Easter Lilies Hydrangeas, Geraniums and a lovely vase of Queen's lace and Larkspur. Mrs. L. C. Angell registered the guests in the guest book.

In the dining room on a lace covered table was a beautiful cake resting on a reflector bearing the inscription, 50th and was surrounded by yellow roses and leaves. Candles in crystal holders, a gift from the late Rush Thomas lighted the dining room. Queen's lace and yellow roses surrounded the large punch bowl.

Misses Edith Simms, Bobbie Schlemmer, Pauline Cummings and Mary Ann Kennon alternated in serving punch, cake and mints. A white napkin inscribed "Frank and Beulah" was presented to each guest.

Mrs. George Rankin, Mrs. Eula Schlemmer and Mrs. Wallace Schlemmer assisted with the hospitality in the reception rooms and arranged the gifts for the guests to see.

The children of Mr. and Mrs. Angell presented them with a pair of matching wedding bands.

The following out of town guests visited the couple during the day: Mr. and Mrs. Dave Angell and Roy Hightower of Walker Creek, Mr. and

Mrs. Vernon Angell and son and daughter of Splawn, Mr. and Mrs. John House of Curry, Mrs. Mary Sherrill of Ben Arnold, Miss Melba Angell of Brazoria, Bennie McDonald of Houston, Mr. and Mrs. Wallace Schlemmer and son of Freeport.

Mr. and Mrs. R. P. Cummings and son of Gatesville, Rev. L. D. Mahaney of Fort Worth and Rev. E. C. Wilkie of Buckholts, Mr. and Mrs. A. W. Wilson of Milano, Mr. and Mrs. Clyde Hensley of Maysfield, Mr. and Mrs. Van Bibber of Maysfield and a host of Cameron friends.

The couple received many lovely and useful gifts and thanked each in their gracious manner.

Albert E. Rettig Takes Lubbock Bride

Miss Loreta Maner, daughter of Mr. and Mrs. H. F. Maner of Lubbock became the bride of Albert E. Rettig, son of Mr. and Mrs. A. W. Rettig in a ceremony performed Saturday evening at 6 o'clock at the First Methodist Church in Clovis, New Mexico. Rev. J. C. English, pastor, performed the ceremony.

The bride wore a gold colored Gilbert original suit of gabardine with wheat and russett brown accessories, and had a brown orchid corsage.

Maid of honor, Miss Margaret Ann West, wore a gray gabardine with navy accessories and a white orchid corsage. Buddy Maner, brother of the bride was best man.

The couple left immediately after the ceremony for Montana where they will be at home temporarily.

Mrs. Rettig is a graduate of Lubbock High School and has been attending Texas Tech where she was a member of Las Chaparitas Club. She has been active in church circles in Lubbock.

Quartet From Dallas In Concert April 28

The Imperial Quartet and Marion Snider of Dallas will appear in person in a concert at the Simon-George Memorial Hall Friday night at 8:00 o'clock, April 28. The concert is sponsored by the Milam County Farm Bureau.

The quartet is heard Monday, Wednesday and Friday over the Texas Quality Network at 11:45 a. m., WFAA in Dallas.

The proceeds will go to buy medicine for the proposed charity ward. Tickets are on sale at the Milam County Farm Bureau office on North Houston.

Beta Sigma Phi Meets With Mrs. James Brock

Mrs. James Brock entertained the Beta Sigma Phi at her home Tuesday evening.

Mesdames Maxine Corley, Dorothy Jones and Halley White presented the program.

During a business session the Electric Stove to be given away May 27 and the Service project was discussed. The stove is now on display in the Texas Power and Light display window. Booths will be set up in front of the J. C. Penney Co. store and the Texas Power and Light Company Saturday. The Girl scouts and the proposed charity ward were mentioned among the projects.

At the conclusion of the program the hostess served a light refreshment course.

Mrs. McFarland Is Hostess At Reunion

A reunion of the children and grandchildren of Mrs. Minnie McFarland was held at her home on North Fannin Sunday, April 16.

A delicious chicken and baked ham dinner with all the trimmings was

served to the following children and grandchildren, Mr. and Mrs. Elmer McFarland of Fredericksburg, Mr. and Mrs. Henry McFarland and family of Dallas, Mrs. E. R. Hearne and son and daughter of Caldwell, Mrs. Grady Goodwin and daughter, Melvena and son of Bryan, Mr. and Mrs. Ora Arnold and girls of Camp Hood, Mr. and Mrs. Grady Gill and children, Patsy and Bonnie, Mr. and Mrs. D. C. York and daughter, Edith and John Thomas La Cook, Mr. and Mrs. Earl McFarland and son and daughter, Mr. and Mrs. Amiel McFarland all of Cameron. Grandchildren were, Mr. and Mrs. Leroy Hunt of Dallas, Mr. and Mrs. James Patterson and son of Fort Worth, and Mr. and Mrs. Floyd Self and two sons of Austin.

During the afternoon Mr. and Mrs. La Dell Chastene and Kay and Mrs. Betty Pratt of Rockdale were visitors.

All of Mrs. McFarland's children were present except one daughter, Mrs. Chas. Bush of Midland and two grandchildren, Thomas and Laundrew McFarland of Dallas.

Miss Dallis Green, student of Denton, has returned to Denton after a visit with her mother, Mrs. Mary Young Green here.

The Cameron Herald April 20, 1950

Mr. and Mrs. Angell Will Celebrate 50th Wedding Anniversary

Mr. and Mrs. C. F. Angell of Cameron will celebrate their 50th wedding anniversary at their home on East Hillcrest street Saturday, April 15.

Open house will be held from 6 p. m. to 9 p. m.

Mr. and Mrs. Angell were married at the Walkers Creek Baptist Church April 15, 1900 and have lived in that community until a few years ago when they moved to Cameron.

They are the parents of six children as follows: Mrs. Eula Schlemmer, Mrs. George Rankin and Monte Angell of Cameron, B. F. Angell of Brazoria and L. C. Angell of Houston. One daughter, Mrs. Dewey Hightower is deceased.

Red Cross Chairman Lists Towns Turning In Contributions

Gene Blake, Red Cross County Fund Chairman, reports the following towns who have turned in their Red Cross solicitations to date:

	Quota	Amt. turned in
Cameron	\$2,200.00	\$1,368.05
Baileyville	30.00	66.50
Briary	15.00	25.00
Clarkson	50.00	47.50
Curry	25.00	42.40
Vogelsang	40.00	26.00
Buckholts	200.00	224.75
Ad Hall	35.00	41.00
Yarrellton	30.00	40.00
Ben Arnold	50.00	48.75
Burlington	100.00	131.25
Elm Ridge	30.00	5.00
Minerva	50.00	51.00
Marak	75.00	67.00
North Elm	25.00	24.15
Walkers Creek	35.00	37.50
Maysfield	100.00	76.20
Rockdale	1,000.00	495.54
San Gabriel, Tracy and Sharp	200.00	176.05
Thorndale	300.00	410.00
Gause	150.00	39.25
Two Mile		4.90

The total for the county so far is \$4,027.46 which is \$300 short of the goal. The quota for the county is \$4,327.00. A few of the small communities have not reported their collections and it is hoped that when all collections are in the quota will have been reached for the county.

MRS. BERTIE ALFORD NAMED AS HD AGENT

Mrs. Bertie Alford of Thorndale will assume her duties as Milam County Home Demonstration Agent June 1. The Commissioners court held their regular meeting Monday, April 10 and confirmed the appointment. The court had recently voted a raise for the agent position in Milam county.

Mrs. Alford is head of the home-making department at Thorndale, having held that position for several years.

Car Belonging To Stanley Swift Stolen

A 1947 Buick sedan belonging to Stanley Swift, owner of the Swift Theatres was stolen at approximately 8 p. m. Wednesday evening.

Mr. Swift had parked his car in front of the Milam Theatre and had gone upstairs to his office, where he remained for some twenty minutes. Upon returning the car was gone. Mr. Swift said he left the keys in the car.

Charlie Stone, Cameron man is being held in Milam County jail and will be charged with car theft.

Stone returned the car to Cameron Thursday morning, parked it on the court house square and took the keys to the Sheriff's office.

He said he had driven to Cleburne Wednesday night and had returned to Cameron Thursday morning.

Cameron Garden Club Ready For Flower Show

The Cameron Garden Club will present its first annual flower show in the basement of the First Presbyterian church April 20 from 4 to 7 p. m.

are: judging, Mrs. B. F. Robinson, Mrs. T. L. Denson; staging, Mrs. Emory Camp, Mrs. Fred Reno, Mrs. Herbert Colburn; entry, Mrs. Stanley Swift; placement, Mrs. Charles McDermott, Mrs. J. C. Martin, horticulture; pot plants, Mrs. John Henderson, Mrs. Lester Williams; supply, Mrs. Hilton Culpepper, Mrs.

Picked by Ezio Pinza, star of stage and opera, as Mary Hardin-Baylor college's most beautiful are these eight students whose pictures will be featured in a section of The

Mrs. Rush Thomas, Mrs. James Watson; publicity, Mrs. H. F. Smith, Mrs. W. E. Gaither; hospitality, Mrs. R. D. Brown, Mrs. E. A. Flinn, Mrs. Richard Bush, Miss Aetna Smith and Miss Katherine Flinn.

No admission will be charged and anyone interested in flower or horticultural exhibits are invited to attend.

High School Group Heard At Rotary Club

Leland Green, III, Richard Wilkinson, Mary Frances Hensley and Dorothy Malone, four Yoe High School declaimers who will enter the interscholastic League meeting in Georgetown this week, end presented the program at the regular noon meeting of the Cameron Rotary Club Wednesday. Morgan Layfield, principal of Yoe High school was program chairman.

A directors meeting was held immediately after the meeting.

Schools Get Funds

AUSTIN, April 12— Payment of this year's seventh installment of the per-student apportionment to schools from the State available school fund was announced today by State Commissioner of Education J. W. Edgar. The payment amounted to \$6 per student and totaled \$9,332,108 based on a census of 1,554,707 scholastics as of April 5.

The payment brings to \$35 per student the amount paid so far on the \$48 per student authorized by the Legislature for the 1949-50 fiscal year.

Mr. and Mrs. Robert Lee Dakel and son, Lynn of Grand Prairie visited their parents here over the Easter holidays. They visited Mr. and Mrs. Henry Dakel Saturday and Mr. and Mrs. Bill Lange in Buckholts Sunday.

Eastern Star Holds Regular Meeting

Cameron Chapter Order Eastern Star No. 551, met in regular session Tuesday evening at the Masonic Hall with the Worthy Matron, Mrs. O. B. Horstmann presiding.

A memorial service was held early in the evening and was followed by a social hour in the dining room, where a dainty refreshment plate was served with a cold drink.

Bush Seeking Poage's Seat

Former Mayor Richard C. Bush of Waco announced yesterday his candidacy for Congress.

Bush will oppose incumbent Representative W. R. (Bob) Poage of Waco.

Poage is finishing his seventh term as Representative of the Eleventh Congressional District. Bush will be the first opponent Poage has had in several years.

Easter Sunday guests of Mr. and Mrs. A. L. Jistel and family were: Mr. and Mrs. R. O. Popp and son, Leo and daughter, Geraldine and Mr. and Mrs. Gilbert Wendler and daughters

Tigers Defeat Cameron, 4-1

Belton's slugging Tigers racked up their third straight District 21-A victory by downing the Cameron Yoe-men, 4-1. Cameron had seven scattered hits while Tiger teammates played errorless ball and took advantage of four bobbles by the Yoe-men.

Belton scored its first run in the first inning when Weldon Symes singled, Royce Boren flied out, and Wesley Boren was safe on an error as

MILAM THEATRE
FRIDAY AND SATURDAY
April 28 and 29

Symes scored. Two more Belton runs crossed the plate in the third when Royce Boren was safe on an error. Bill Northam was hit by the pitcher, and Robert E. Lee walked to fill the bases. Then successive walks to Bill Fuller and Dick Jones forced two runs across.

The Tigers made their last run in the seventh on another of the eight hits and numerous walks. Cameron pitcher Guy Wilkinson allowed with Northam crossing the plate after singling. Cameron finally broke the ice in the last of the seventh with one run when Alton Fuchs, Melroy Eixman, and Frank Kamenicky clouted successive singles.

Mr. and Mrs. Winfred Henderson of Freeport visited Mrs. Henderson's parents, Mr. and Mrs. M. M. Hickmann here last week.

Mrs. R. L. Baker who fell at her home Friday is a patient in St. Edward Hospital. Friends will be glad to know she has no broken bones and will return to her home soon.

New Willys Models To Be Shown Here By Anderson Motor Co.

The new Willys-Overland models, featuring revolutionary advances in appearance and the choice of two, new, more powerful, high compression four and six cylinder engines are on display in Cameron today, according to Joe Anderson owner of Anderson Motor Co.

Mr. Anderson said that the new cars retain the traditional Willys emphasis on utility in design, but that economy of operation of both new engines sets a new standard for efficient fuel utilization.

He declared that changes in the line apply to the Willys four and six-cylinder conventional 2-wheel drive station wagons, Jeepster, 4-wheel drive truck, and panel delivery. In addition, Mr. Anderson said, a new half-ton truck of conventional 2-wheel drive was announced. The truck will be powered by the new four-cylinder engine. No changes were announced for the famous Universal Jeep and the 4-wheel drive station wagon at this time.

Among the outstanding features of the models are Willys-Overland's newly developed four and six-cylinder engines, the "Hurricane" and the "Lightning".

The "Hurricane" is a 4-cylinder F-head power plant that develops 72 horsepower at 4,000 RPM.

Several features, unique for American automotive engines, have made it possible to obtain a compression ratio of 7.4 to 1 in the "Hurricane" engine. The intake manifold and carburetion system has been streamlined with shortened passages that are completely down draft. An enlarged intake has been placed in the cylinder head, with the exhaust valve remaining in the cylinder block. This arrangement combines the advantages of both the conventional valve-in-head and L-head engines and makes possible a larger mixture intake in the Willys F-head design.

Increased compression in the "Hurricane" engine is achieved through a smaller and more compact combustion chamber with the spark plug located at the center of the head.

Outstanding in fuel economy, Mr. Anderson said the "Hurricane" also is 14% more powerful than the predecessor four-cylinder engine. He declared that tests on some models indicate an 11% increase in gasoline economy over the previous models at full throttle.

The Willys six-cylinder 75 horsepower "Lightning" engine has a piston displacement of 161 cubic inches. Its compression ratio of 6.9 to 1 compares to 6.42 to 1 in the previous Willys six. The six will be available as an option in the Jeepster and the conventional 2-wheel-drive station wagon.

In general appearance, lines of the new vehicles have been softened and streamlined. While wheelbase remains unchanged, overall length has been increased by bringing out the center vertical line of the grille three inches and projecting the front bumper two inches forward.

A "V" theme carried out in the radiator grille, front fenders, and hood imparts smoother lines to the new passenger cars and trucks. The grille has five heavy crossbars, giving the front end a massive appearance. In the passenger cars these crossbars are chrome, while in the trucks they are painted in colors contrasting with those of the body.

The front edge of the hood has been rolled under to carry out the massive effect and to add strength and rigidity to the bonnet. A modeled crease line at the center of the hood adds to the streamlined effect.

Seating arrangement in the station wagon has been improved by providing the driver's seat with a fold-down back for easier access to the rear seat.

The seats are deeper from front to back. This car features a wrap-around rear bumper.

Raising and lowering of the Jeepster top has been eased to fingertip

control through a new system of springs and counterbalances.

Refinement of the vehicles has extended to interior appointments. The instrument panel has been redesigned to make dials more readable and to place controls within easy reach of the driver. A single master switch controls headlights, taillight, dash illumination and dome light. A large ash tray has been placed below the speedometer and the headlight beam indicator has been moved to the speedometer dial.

The fingertip crossbar of the steering wheel is horizontal for easier control of the vehicle. The horn button has been re-designed in three dimensional plastic, adding a smart colorful touch to the wheel assembly.

According to the Anderson dealer, features which have proved most attractive in the company's earlier postwar models have been retained in the new vehicles. These include greater all-around visibility, commanding view of the road over the hood, short turning radius, and, in the station wagons the 98 cubic feet of useful cargo space that is available when rear seats are removed.

Fourth Grade Gives Assembly Program

The following program was given by the fourth grade of the Ada Henderson School last week and was enjoyed by all.

Opening song, "Texas, Our Texas", followed by a one act play entitled, "A Healthy Western Play". Characters were:

George Malone, Dwane Jekel, Litleton Barrett, Warren Rinn, Larry Jackson, Toddie Lawrence, Carrell Wayne Jungmann, and Johnny Mosley. There were three piano solos given by Bobby Elliot, Beverly Lamb, and Charlotte Greenless.

Another one act play was given entitled, "Getting Even With Aunt Liddy". Characters were: Lillie Mae Chopton, Make McDermott Jr., Clifford Swift, Gaila Griswold and Cynthia Curtis. There were two readings by Janice Bridges and Wendell Kirk. The program ended with a sing song by all the grammar school. Songs used were "The More We Get Together", "Smile", and "Down By The Old Mill Stream".

Cameron Youths Will Attend Scout Jamboree

Eighty Scouts, Explorers and Leaders will attend the 2nd National Scout Jamboree to be held at Valley Forge, Pa., from the Heart O' Texas Council, announced J. E. Johnson, Chairman of Council Jamboree Committee. The delegation will make up with Scouts and Explorers from 15 different communities in the 9-county area of Heart O' Texas Council, representing 28 different Scout Troops and Explorer Posts.

The delegation will leave for Valley Forge about June 26th, by train. The Jamboree opens June 30th and closes on July 6th. Attendance at the Jamboree will run over 40,000 Scouts and Leaders. Tours will be made to New York City, Washington D. C., and Philadelphia.

George Baldwin of Waco will serve as Scoutmaster of one Troop and will have as his assistants, R. H. Thompson and B. W. Stephens, both of Waco. Jack Dempsey of Temple will serve as Scoutmaster of the other Troop and will have as his assistants E. F. McQueen, Camp Hood, and Ben Gibson of Waco.

From Cameron there will be the following attending the Jamboree from Troop 54: Edward Brady, Jr., Dick Jenness, Arthur Martin, Franklin Stewart and Johnny Green.

From Troop 88, Rockdale, Robert Luckey will attend.

Copperhead To Start the Day

HEARNE, April 13—Checking in for work here today as confidentially as any of her New York or Chicago counterparts, Miss Madeline Mahan found out a thing or two about civilization in the heart of Central Texas.

Removing the cover from her adding machine in the modernistic office of the Texas Pipe Line Co., Miss Mahan froze as she saw relaxed on the keys a coiled copperhead snake.

Hard-bitten fellow workers laid the critter low.

As for Miss Mahan, she's taking it out on the keys, trying to add it all up.

Baptists Add 800 Members in First Week of Revival

Union Baptist Association churches have added at least 800 members during the first week of the two-week simultaneous revival effort, Dr. C. E. Matthews, superintendent of evangelism for the Southern Baptist Convention, estimated Friday.

Doctor Matthews, who is in Houston to head the revival, also is conducting services in First Baptist Church, 1020 Lamar.

More than 100,000 people are involved in the revival, which is being conducted in almost 100 churches in Union Association through April 23.

Visiting preachers have been secured from at least eight states besides Texas—Arkansas, Tennessee, Florida, Mississippi, Missouri, Arizona, Georgia and Illinois.

In his Thursday night sermon, Doctor Matthews challenged mem-

bers of the church to fill the 2700-seat auditorium at the 9:30 a. m. Sunday service.

"To insure a full, rounded life for your residents in this city, churches must stay abreast of record-breaking activities," Doctor Matthews said.

He pointed out that thousands of Houstonians have no church affiliation, and "it is to these people we must make our appeal."

Cameron Delphians Postpone Flower Show

Because of the hard rains during the week end and a forecast of more rain this week, Cameron Delphian Club has postponed its flower show from Tuesday, April 18 until May.

Club, individuals and organizations who had expected to make entries are invited to do so at the May date to be announced later.

The Delphians 4th annual show was to have been in the basement of the Methodist Church, free to the public.

Mrs. J. H. Thompson of Claudine has returned to her home after visiting her children here.

JONES PRAIRIE

By MRS. S. S. HICKMAN

Richard Jones, son of Mr. and Mrs. Bailey Jones is among the 30 members of the A Capella choir of Southwest Texas State College which will present an hour long program opening the annual battle of Flowers festival in San Antonio on Monday, April 17. Under the supervision of Ira Penay Bowler, director of the group, choir members are currently making plans for a four day tour of various cities in Southwest Texas beginning April 23. Included in the cities are Pasadena, Baytown, Galveston, Alvin, West Columbia, Texas City and Angleton.

Mr. and Mrs. Clyde McCarty of Plaquemine, La., visited Mr. and Mrs. Ben Massengale during the past week end.

Mrs. Stanley Ray and little daughter's Barbara and Jane have returned from a pleasant visit with her parents of Tyler.

H. M. Yager, student of John Tarlton College, Stephenville visited his parents, Mr. and Mrs. E. B. Yager over the week end.

Mr. and Mrs. Durwood Hickman and sons Gilbert and Joe and daughter Ann of Groesbeck spent Sunday with his parents, Mr. and Mrs. S. S. Hickman.

Mr. and Mrs. R. L. Clapp and daughter, La Rue, of Carthage were week end guests of Mr. and Mrs. Robert Glenn.

Mr. and Mrs. Wayland Atkinson of Port Arthur are visiting his mother, Mrs. W. A. Atkinson and Mr. and Mrs. Carlton Crook.

Mr. and Mrs. Bill McClendon of Fort Worth were guests of Mr. and Mrs. Marvin Hickman over the week end. The two couples were Sunday dinner guests of Mr. McClendon's mother, Mrs. Bob McClendon of Ben Arnold.

S-Sgt. James Patzke of Randolph Field Air Force base in San Antonio is spending a thirty day furlough with his parents, Mr. and Mrs. Fritz Patzke. Sgt. Patzke expects to sail for Germany the latter part of the month.

Mr. and Mrs. Ralph Phipps of Shreveport, La., were recent guests of his father, Floyd Phipps.

Mrs. Le Roy Massengale of Maysfield spent Wednesday with her mother, Mrs. J. A. Jamison.

Mr. and Mrs. Grady Stidham of Cameron visited his mother Mrs. B. F. Stidham here Sunday.

Miss Corrine Massey, student nurse of the Newton Memorial Hospital spent the week end with her parents, Mr. and Mrs. C. H. Massey. They were Sunday dinner guests of Mrs. Massey's parents, Mr. and Mrs. J. T. Swanzey of Ben Arnold.

Mr. and Mrs. C. W. Adams and Misses Babs and Jane Anderson of Houston were guests of Mr. and Mrs. J. H. Burnett Sunday. Mrs. Burnett returned with them for a weeks visit.

Mrs. I. R. Glenn has returned from a pleasant visit with her daughter, Mr. and Mrs. R. L. Clapp of Carth-

age.

Ira Lee Parker who is improved at Nolanville spent the week end with his family here.

Mrs. Hugh Vaughn and Mrs. Bob Sharp of Belmena were co-hostess for a spend the day party, Tuesday April 11 at the home of Mrs. Sharp. A quilting bee and miscellaneous shower honoring Mrs. James Harwell. A covered dish luncheon was served at the noon hour to approximately 25 guests. The honoree received many useful and beautiful gifts including two new quilts. She thanked everyone in her charming manner.

The most annoying hog is the one who is not satisfied with hogging the road but parks his car across the sidewalk as well. Cameron has so many of this breed.—P. Destrian.

Mr. and Mrs. T. C. Lewis of Marlow visited in the home of Mr. and Mrs. Clarence Hewitt in Bryan Sunday.

YARRELLTON NEWS

MRS. LENA RUSSELL

Miss Shirley Dean Hairston spent the night with Gloria Ann Jungmann recently.

John Mekush visited Mrs. C. E. Russell Monday afternoon.

Friends and life long neighbors of Ed Lake were sorryful to learn of his serious illness and death Monday at St. Edward Hospital. Friends extend sympathy to his loved ones.

Mrs. Joe Ford is at the bedside of her mother, Mrs. R. T. Crosby at St. Edward Hospital.

Mrs. Frank Griffin was on the sick list over the week end and is reported improving.

Mrs. Walter Ford of Galveston is at the bed side of her mother, Mrs. R. T. Crosby who is ill and in St. Edward Hospital. She also visited in the Joe Ford home.

Mr. and Mrs. F. B. Farmer and family of Cedar Springs and Mrs. Claud Tubbs of San Angelo were

here for the funeral of their brother, George Ed Lake.

Mrs. Clarence Colburn attended the Georgetown school meet last Friday and Wallace Colburn, Florence Ruth Boecker, Ruth Solomon, Loma Russell, Doris Nell Lott, La Verne Provasek and Bobby Russell were among the students participating in the events on Friday and Saturday.

Mr. and Mrs. J. A. Provasek motored to Temple to take her sister and children to meet the plane. They returned to their home in California after a ten day visit in the Provasek home.

Mrs. Jack Heugattier of Burlington visited in the home of her mother, Mrs. Vassie Evans recently.

Mrs. Zeb Fitzgerald of San Marcos visited her parents, Mr. and Mrs. Ed Gunn here the past week end. Mr. Gunn is among the patients in St. Edward Hospital and is reported much improved. He will return to his home soon.

Cen-Tex Guards To Participate In Blood Bank Plan

The Cameron National Guard unit is among those reporting on participation of their personnel in new voluntary plan to make Texas National Guard one vast blood bank as disaster insurance.

Reports thus far to State Adj. Gen. K. L. Berry, who proposed the undertaking just last month, indicate a high percentage of personnel offering their blood from among the approximately 20 per cent of guard units reporting.

The plan calls for volunteers from the nearly 17,000 men assigned to 266 guard units located in 137 cities.

Received Membership In First Methodist Church on Palm Sunday

Those willing to contribute to what may well be the largest peacetime blood bank in history either will have their share of blood collected by established blood banks and stored, or where no banks exist the thousands of guardsmen will become "walking blood banks."

The approximately 410 Central Texas members of guard units—at Temple, Marlin, Lampasas, Belton and Cameron—would form a sizeable bloc of life-saving blood donors of various types in the event of disaster in that area or elsewhere in the state.

Fritz Glaser of Buckholts transacted business in Cameron Saturday of the past week.

This group of children were received in the membership of the First Methodist Church on Palm Sunday and are as follows: Doris Plasek, Clayton Gill, Wendell Kirk, Dorothy Plasek, Jesse Kirk, Dwight Moody, Jr., Make McDermott, Jr., and Carroll Green, Jr.

Mrs. Ethel Davis and son Jimmy visited in the home of Mrs. Davis parents, Deputy and Mrs. Will Vaughan over the Easter holidays. Mrs. Davis was accompanied to Cameron by Henry and Ruth Heath also of Austin who visited friends here. Miss Heath visited Elizabeth Newton Sunday.

Mrs. Frances Orsag is ill and in St. Edward Hospital for treatment.

Miss Margie Denson Will Recite At Baylor

Margie Denson, Baylor University student from Cameron, will deliver her lecture-recital on Bess Streeter Aldrich's book, "Miss Bishop" April 20. These lecture-recitals are presented by members of the Interpretative Reading class at Baylor.

Margie is the daughter of Mr. and Mrs. Joe C. Denson, 529 E. 21st Street, Cameron. She is a junior Speech major and English minor. At Baylor, Margie is a member of Delta Alpha Pi, social organization, and First Families of Baylor.

Home Loans Release Due

A backlog of about 300 FHA home loan commitments will be released as soon as President Truman signs the new housing bill, FHA District Director R. E. Shepherd said.

The commitments have been on a ration basis from Washington FHA headquarters for almost a month while the housing bill was being debated in Congress. The Senate gave final approval Monday to the bill which gives FHA authority to insure \$2,250,000,000 worth of home loans. The House already has approved the measure.

FHA put the commitments on a ration basis to keep from exceeding its present money authorization.

Shepherd said a large group of commitments was approved in Washington Tuesday for Dallas, clearing the books of all commitments through March 24.

Shepherd said he expected to release all the backlog of commitments as soon as the bill is signed.

Four Cameron Youths Each Buy Jersey Calf

Dwight Chandler, Bobby Bickett, Billy Eisenger and Jesse Curtis Weathers all of Cameron have purchased one registered Jersey, Sybil Masterman's Oxford each, from the herd of Earle B. Mayfield of Tyler, Texas.

Jerseys are registered at the national office of The American Jersey Cattle Club in Columbus, Ohio. The club kept complete records on all registered Jerseys in the United States since 1868.

Jerseys are especially noted for producing milk that averages more than 5 per cent butterfat. The breed also calves and begins producing milk from three to six months sooner than other dairy breeds. This means faster herd building and earlier milk checks, and makes Jerseys increasingly popular with dairymen.

The Cameron Herald April 20, 1950

Waco Man Named Governor-elect of Rotary International

Jack Dillard of Waco was unanimously named governor-elect of Rotary International district 187 in voting yesterday which was part of the second day's activities of the first annual district 187 conference in Temple.

Mr. Dillard's election, announced at the governor's annual banquet at Mary-Hardin Baylor last night, came as no surprise. He was the only candidate nominated.

He is the immediate past president of the Waco Rotary club. He will assume duties July 1, replacing Nelson R. Hawkins of Itasca.

The last day's activities of the conference gets started this morning at 7:30 a. m. with a breakfast in the main dining room of the Kyle hotel. At 9:10 a. m. the general session will be called to order. It will feature four speeches.

The conference will conclude with a luncheon at 12:15 p. m. at the Temple Country club, with Secretary of State John Ben Shepperd as the speaker.

A. J. Gregory is ill and in Newton Memorial Hospital for treatment.

50TH ANNIVERSARY IS CELEBRATED SUNDAY

Mr. and Mrs. W. U. Osburn celebrated their golden Wedding Anniversary Sunday, April 16, with a reception at the home of their daughter and son-in-law, Mr. and Mrs. Earl Moseley. Although a heavy down pour of rain came during the hours, around 45 friends came to greet them and to wish them well.

Mrs. Moseley met the guests at the door and escorted them to the receiving line where the honored couple sat with their son, Milton Osburn of Brady. After registering in a beautiful white leather wedding book bound with gold, the guests were ushered into the dining room where the table covered with a lovely white Italian cut work banquet cloth, held the beautiful heart shaped wedding cake. This cake was baked by Mrs. Jesse Brock and decorated by Mrs. Vance Werner as a tribute to the couple and was resplendent with gold maline and the date 1900-1950.

Gold candles in double crystal holders burned on the table, where Mrs. E. P. Hutson, of Trinity another daughter of the couple served white cake squares decorated in gold. At the other end of the table, Mrs. Milton Osburn served the punch. Tiny white wedding bells, tied with gold

ribbon with the inscription "1900-1950—Will and Bell Osburn" in gold were plate favors. The napkin carried the motif further by its golden wedding bell. The home was beautifully decorated through out but of especial note was the golden lilies and orchid iris arrangement on the console in the living room and the gorgeous golden iris display on buffet in the dining room.

Mrs. G. C. Hutson and Mrs. Stanley Hutson of Trinity assisted with hospitalities in dining room.

The couple received many lovely gifts which were on display and telegrams were received all day from friends who could not call because of the inclement weather.

Mr. and Mrs. Osburn were married in Milam County, April 14, 1900 at Yarrellton where they lived until they moved to Cameron over 40 years ago. They have lived here since. They have six living children, of whom only three were able to be with them on this memorable day. A daughter, Mrs. George Howerton, of Paris who has been very ill, was unable to come.

Pfc. Wesley M. Breden, son of Mr. and Mrs. W. E. Braden with the 2nd Rescue Squadron is now stationed at Kadena Air Force Base, Okinawa. He had formerly been stationed at Hamilton Field before going overseas. Pfc. Braden is Supply Technician.

D. H. Slaughter is among the patients in St. Edward Hospital for treatment.

Waco Man Named Governor-elect of Rotary International

Jack Dillard of Waco was unanimously named governor-elect of Rotary International district 187 in voting yesterday which was part of the second day's activities of the first annual district 187 conference in Temple.

Mr. Dillard's election, announced at the governor's annual banquet at Mary-Hardin Baylor last night, came as no surprise. He was the only candidate nominated.

He is the immediate past president of the Waco Rotary club. He will assume duties July 1, replacing Nelson R. Hawkins of Itasca.

The last day's activities of the conference gets started this morning at 7:30 a. m. with a breakfast in the main dining room of the Kyle hotel.

At 9:10 a. m. the general session will be called to order. It will feature four speeches.

The conference will conclude with a luncheon at 12:15 p. m. at the Temple Country club, with Secretary of State John Ben Shepperd as the speaker.

YOE HIGH—

(continued from page one) a score of 355 to Douglas Obermiller; and third place with a score of 305 to Harvey Weems. Coached by Mrs. Jones, these boys spent many hours of patient concentrated effort to attain this remarkable score, and they won their preliminary tryouts from a number of students who are already looking ahead to next year's contest.

Number sense, coached by Mrs. Burkes, gave the final score another 15 points with a first place won by Florence Ruth Boecker.

For five year Yoe High Students have taken first place in the District Meet in the spelling team. This year was no exception. Lynn Obermiller and Eva Lou Hickman under the direction of Miss Haynes took first place in spelling for a score of 10 points.

From the commercial department under the direction of Miss Williamson, Maggie Marie Schulze scored 10 points for second place in the shorthand contest while Wallye Jean Robbins and Eugene Polzer took 3rd and 5th places respectively in the typing contest.

The students who are going to the Regional Meet in San Marcos are Florence Ruth Boecker, Edith Lee Baldridge, Maggie Schulze, Eugene Polzer, Douglas Obermiller, Harvey Weems, Wallye Jean Robbins, Donald Lehnert, William Matyastik and Tommy Michalka.

Mr. and Mrs. S. A. Dunn of San Antonio were guests of Mr. and Mrs. R. L. McCown here over the week end. Mrs. Dunn and Mrs. McCown are sisters.

VETERAN—

(continued from page one)

spraying schedule to control ticks, lice, and flies. His schedule calls for one spraying every 30 days, with a mixture of BHC and DDT during the spring and summer months. He vaccinates each calf with mixed vaccine of blackleg and hemorrhagic septecemia. Marvin raises his replacement animals for his herd. He definitely wants his calves to be 1-3 braham and 2-3 angus. He claims his calves weigh 30 pounds more at weaning age. Marvin states his cattle like to graze grasses and clovers which have been phosphated and limed.

Marvin and Ida Maye are also running a test with three breeds of chicks—Leghorns, New Hampshire and Hy-Lines. The baby chicks were brooded and fed alike and will be housed separately when they go into production. A day by day egg production record will be kept as well as the feed consumed and by this procedure they have a good idea as to which breed is the most profitable.

Ida Maye raised and marketed 200 turkeys in 1949 with a good return on the investment. After the brooding period the turkeys were ranged on oats and clover in addition to being given grain at night. When the turkeys were ready to be fattened they were penned and fed a fattening ration of corn and turkey fattening mash. Instead of raising turkeys this year, Ida Maye is now feeding out 10 quality angus calves.

Marvin and Ida Maye Ethridge have a well balanced live at home program. They plant a spring and fall garden using fresh vegetables for home use and the remaining for canning. They also produce their own pork and beef for home use as well as producing a home supply of milk and eggs. They have a box at the locker plant in Cameron in which they keep a year round supply of home killed meats.

Since enrolling in Milam County Vocational School in 1946, Marvin has greatly increased his capital goods. He has purchased 35 cows, a new Ford tractor and equipment, fertilizer, and lime distributor and disc plow. He also has purchased 25 acres of land, built a new fence around the place, dug a deep well and put a deep well electric pump to supply water. He has built a barn of concrete blocks which is 30x60 feet. He also built 10x10 brooder house and 20x30 laying house. Marvin plans to build a new ranch style house this year.

For the home they have bought a new cook stove, refrigerator and added running water. Marvin has qualified himself for the Fourth Year Agriculture and he plans to make additional investments in capital goods and improve his soil.

Billy Bickett of Marlow is ill and in Newton Memorial Hospital for treatment.

EDUCATIONAL TOUR OF HOUSTON FOR STUDENTS

The Santa Fe railroad has announced an "educational tour" and breakfast for Cameron and Temple school children and their adult escorts to the San Jacinto battle grounds, the battleship Texas, San Jacinto monument, and a sightseeing tour of the city of Houston for May 6.

Cost of the tour, round trip, including breakfast, a basket lunch at the battlegrounds and admission to the battleship, will be \$7.90 each, with no half fares.

The fare is for coaches and the train will leave Temple at 4:07 a. m., Cameron at 4:45 a. m. and will arrive in Houston at 8:15 a. m. It will leave Houston at 6:55 p. m. the same day, arriving back in Cameron at 10:00 p. m. and in Temple at 10:50 p. m.

The tour has been endorsed by Superintendent W. T. Hanes and Morgan Layfield, principal of Yoe High school.

When the train arrives in Houston the group will go immediately to the First Christian Church where the ladies of the church will prepare breakfast and will also prepare a basket lunch for each guest to carry to the battleground.

Persons who wish to make the trip must sign up by April 20. At least 150 from both Cameron and Temple must sign up by that time in order for the special rates to apply.
